

Let's Make a Stand Instructions

1. Australian kids with vision and hearing loss need your help.
2. Access to vital services in their early years will help them read a book in braille or say their very first words.
3. So let's help them reach their full potential by Making a Standa lemonade stand!
4. You'll make fun family memories and make a difference for kids in need.
5. It's easy to take part.
6. Step one, register online and set up your fundraising page.
7. Step two, make your lemonade stand at home.
8. Step three, sell your virtual lemonade!
9. Don't forget to share your page and ask your friends and family to buy your life-changing lemonade!
10. The more you sell, the more kids you'll help.
11. Thanks for Making a Stand and making the difference!
12. Register at www.letsmakeastand.org.au
